Sir:

Pursuant to 37 CFR 1.56, the attention of the Patent and Trademark Office is hereby directed to the references listed on the attached PTO-1449. As this application is being filed after June 30, 2003, no copy of the cited U.S. reference is enclosed. One copy of each foreign reference is enclosed. It is respectfully requested that the information be expressly considered during the prosecution of this application, and that the references be made of record therein and appear among the "References Cited" on any patent to issue therefrom. Applicants respectfully request the Examiner return an initialed copy of the enclosed Form PTO-1449 to Applicants with the next Office communication to indicate that the references have been considered, per MPEP § 609.

This Information Disclosure Statement is being filed with the National Stage application. No certification or fee is required.

These references were cited in an International Search Report, dated March 22, 2005, in the corresponding parent PCT application upon which this application relies for priority. Since the two (2) non-U.S. references are not written in English, the Applicant provides English abstracts therefor. The Applicant relies upon the English abstracts and the International Search Report for statements of relevance for these references.

Respectfully Submitted,
